
THE STATE SEAL

The Great Seal of the State of Oklahoma is centered by a five-point star, bearing a three figured symbol of the Frontiersman, the Indian, and Justice. The Latin "Labor Omnia Vincit", meaning "Labor Conquers All Things", appears directly above these figures. A seven-point star bearing a wreath of oak leaves, symbol of the Cherokee Nation, appears in the upper left hand ray of the central design. The upward ray depicts an Indian warrior with bow and shield, the ancient seal of the Chickasaw Nation. The emblem of the Choctaw Nation appears in the upper right hand ray and is comprised of a tomahawk, a bow and three crossed arrows. The Seminole Nation is represented by houses and a factory beside a lake on which an Indian hunter maneuvers his canoe, and appears in the lower right hand ray of the five-point star. In the lower left hand ray is the symbol of the Creek Nation, depicted by a sheaf of wheat and a plow. Surrounding the central star are forty-five small stars, representing the forty-five states that comprised the Union at the time the seal was adopted in 1907. Oklahoma entered statehood November 16, 1907.

To the Honorable George Nigh, Governor,
and Members of the Oklahoma Legislature:

Submitted herein is the Annual Report of the Oklahoma Tax Commission
for the fiscal year ended June 30, 1984.

Total collections from all tax sources administered by the Commission
during Fiscal Year 1984 totaled nearly \$3.2 billion. Gross collections from
state-levied taxes, licenses and fees, exclusive of city/county sales and
city use taxes, amounted to \$2,738,224,425.64.

We take pride in the improvements we have made in the areas of tax
processing and compliance, and maintain our pledge of fair and just admin-

BACKGROUND SUMMARY OF THE OKLAHOMA TAX COMMISSION

The Oklahoma Tax Commission, from its inception in 1931, has been responsible for the collection and administration of various tax sources and the apportionment of these revenues to state funds which provide monies for education, transportation, recreation, social welfare, and the myriad of other services provided for the citizens of Oklahoma.

The Tax Commission is comprised of three members (Chairman, Vice Chairman, and Secretary-Member) who are appointed by the Governor with the advice and consent of the State Senate and serve terms of six years each.

It is the Commission's responsibility to supervise the administration and enforcement of state tax laws and the collection of a majority of all state-levied taxes and fees.

The Commission directs the collection and distribution of the tax and license sources under its administration and, by statute, is responsible for apportioning such tax revenues to the various state funds. In addition, the Oklahoma Tax Commission allocates directly to local units of government certain state-collected levies earmarked to counties, school districts and municipalities. On a contract basis with individual municipalities and counties, the Tax Commission is involved with the administration, collection and distribution of city and county sales taxes.

To provide effective administration, the Tax Commission currently consists of 18 separate divisions, each with its own director and staff. Nine of these divisions are concerned with direct administration of specific taxes and fees. These revenue divisions are:

- Ad Valorem & Documentary Stamps
- Alcohol & Tobacco
- Estate & Unclaimed Property
- Franchise
- Gross Production
- Income Tax
- Motor Fuel
- Motor Vehicle
- Sales & Use Tax

Specialized service divisions include:

- Enforcement Division — Performs general enforcement and delinquent tax collection services.
- Legal Division — Prepares briefs for hearings, conducts court cases, and formulates and interprets tax laws.
- Management Information Systems Division — Provides computerized storage, retrieval, and processing of the fiscal records of all tax-collecting divisions.
- Management Services Division — Encompasses accounting and budgeting functions, economic studies and public information services.
- Revenue Processing Division — Handles millions of dollars every working day of the year and processes more mail than do any but the very largest U. S. Post Offices serving Oklahoma.
- Supply and Microfilm Division — Films and stores millions of tax returns every year.
- Personnel Division — Develops and administers policies with respect to agency staffing, employment practices, employee benefits, wage & salary administration and employee payroll services.
- Printing and Reproduction Division — Handles the voluminous printing requirements of the Commission.

Providing administrative support through the Headquarters Division are the Administrative Assistants and Law Judges.

Throughout the 53 years of the Oklahoma Tax Commission's existence, the tax dollars it has collected have funded the governmental services provided by the State to her citizens, while at the same time those dollars have been generated by one of the lower tax bases in the nation.

Two methods of computation can be used. If Federal Income Tax is not deducted, Method I rates must be used. If Federal Income Tax is deducted, Method II rates must be used. The tax liability is the lesser of the two computations, which is normally Method II.

METHOD I — No Federal Income Tax Deduction

Single: From $\frac{1}{2}$ of 1% of the first \$1,000 of taxable income and graduated up to 6% of income over \$7,500.

Married: From $\frac{1}{2}$ of 1% of the first \$2,000 of taxable income and graduated up to 6% of income over \$15,000.

METHOD II — Deducting Federal Income Tax

Single: From $\frac{1}{2}$ of 1% of the first \$1,000 of taxable income and graduated up to 17% of income over \$49,000.

Married: From $\frac{1}{2}$ of 1% of the first \$2,000 of taxable income and graduated up to 17% of income over \$94,000.

Taxpayers whose filing status is Head of Household use Married rates under both methods.
